# Agribusiness ETF (MOO)

## Fund Description

The **Agribusiness ETF** seeks to replicate as closely as possible, before fees and expenses, the price and yield performance of the **DAXglobal® Agribusiness Index**. The Index provides exposure to companies worldwide that derive at least 50% of their revenues from the business of agriculture. As such, the Fund is subject to the risks of investing in this sector.

The performance data quoted represents past performance. Past performance is not a guarantee of future results. Performance information for the Fund reflects temporary waivers of expenses and/or fees. Had the Fund incurred all expenses, investment returns would have been reduced. Investment return and value of the shares of the Fund will fluctuate so that an investor's shares, when sold, may be worth more or less than their original cost. Performance may be lower or higher than performance data quoted. Fund returns reflect dividends and capital gains distributions. Performance current to the most recent month end is available by calling 888.MKT.VCTR or by visiting [vaneck.com/moo](http://vaneck.com/moo).

*These are not recommendations to buy or sell any security.*

Fund shares are not individually redeemable and will be issued and redeemed at their NAV only through certain authorized broker-dealers in large, specified blocks of shares called "creation units" and otherwise can be bought and sold only through exchange trading. Creation units are issued and redeemed principally in kind. Shares may trade at a premium or discount to their NAV in the secondary market.

The Fund is subject to various risks including those associated with making investments in companies engaged in the agriculture business such as economic forces, energy and financial markets, government policies and regulations, and environmental laws and regulations.

**An investor should consider the investment objective, risks, charges and expenses of the Fund carefully before investing. To obtain a prospectus, which contains this and other information, call 888.MKT.VCTR or visit [www.vaneck.com/moo](http://www.vaneck.com/moo). Please read the prospectus carefully before investing.**
