Important Information

VanEck only serves professional clients in countries where the funds are registered or where funds can be sold in accordance with local private placement rules. The professional investor definition is described in the Terms and Conditions on www.vaneck.com.

Past performance is not a guide to future performance and should not be the sole factor of consideration when selecting a product. The value of the investments may go up or down and the investor may not get back the amount invested.

All data is sourced as at the date stated. Performance data is displayed on a Net Asset Value basis, in Base Currency terms, with net income reinvested, net of fees. Brokerage or transaction fees will apply.

Please note that it is not possible to invest directly into an index. Even though the funds may provide an exposure to the asset class represented by the index the investment return of the fund will not accurately track the index.

This presentation is advertising and provides certain information about the ETFs referred to in it. The information herein is insufficient to make an investment decision. Before making an investment decision you need to read the sales prospectus and KIID. Investors should also consult their tax, financial, legal or other advisors prior to acquiring ETFs to clarify economic and/or tax consequences of an investment into the ETFs. The ETFs are not recommended, sold or advertised by the index manager nor does the index manager provide any other assurances regarding the ETFs and the results that may or may not be achieved through use of the index.

VanEck Vectors Investments Ltd. disclaims all liability relating to this presentation and the information contained in it and for any errors or omissions, or for losses of any kind arising from trust placed in the information in any way, subject to the laws and provisions in force.

VanEck Vectors UCITS ETFs plc. is an investment scheme which is registered in Ireland and which, as an umbrella fund, is subject to the European regulation of collective investment schemes under UCITS IV. The sales prospectuses for the VanEck Vectors UCITS ETFs contain a comprehensive description of the conditions governing the fund. The sales prospectus, the Key Investor Information Document (KIID), the Articles of Association and the current annual and semi-annual reports are available free of charge from the following agents, contact details of whom may be found on www.vaneck.com.
