

Position: IT Infrastructure Summer Intern
Legal Entity: VEAC
Business Unit(s): IT
Location: New York
Department: Information Technology
Reporting to: Service Desk Team Lead
FLSA Status (us staff only): Non-Exempt Full Time Summer

VanEck is a privately held global asset management firm founded in 1955. We develop forward-looking, intelligently designed, active and ETF strategies that strengthen long-term portfolios. We will provide qualified individuals with outstanding education and growth opportunities. If you are a high-energy individual with a strong work ethic, excellent team skills, and outstanding communication skills, we would like to speak with you.

VanEck's Summer Intern Program includes exposure across the firm through educational, mentorship, and networking events. As an Intern, you will also be exposed to the firm's senior management, gain an understanding of the financial services industry and learn critical business skills. Our internship program will build more than just your resume — it will challenge your knowledge, build your network and drive your career path. Our program spans 10 weeks and runs from June 2 – August 8. If you are looking to pursue a career in sales and looking to gain a valuable hands-on experience while working with talented individuals, apply now!

Essential Duties and Responsibilities

Includes the following, other duties may be assigned as needed:

- Setup new PCs and laptops.
- Setup IP phones.
- Help maintain conference room equipment.
- Provide user assistance with mobile phones, tablets and laptops issues.
- Provide training with mobile phones, tablets and laptops.
- Wipe out retired devices (PCs, laptops, mobiles).
- Onboarding process review (review permissions/roles and job descriptions).
- Breakdown of situated Intern PC's.
